Dear Families,

We had a fabulous celebration assembly on Thursday when the Theophanous Friendship Cup was awarded to Teodora in Year 5! We were joined by Elpida and Marina Theophanous, who explained the reasons for the award and were able to meet Teodora and to present the cup to her. We had many nominations for this award this year and are very proud of how our children celebrate the achievements of one another.

Congratulations Teodora!

Strike action

I am expecting to be able to advise you of the impact of strike action later today (Monday) and will write to you separately about this. Please check your emails and text messages for information.

Book Recommendations

Our recommendation this week is from Amelia in Crimson Class, who recommends The Worries by Jion Shibani. This is particularly appropriate as we approach Mental Health Awareness week. This is a story about Sohal who's worries come to life and to school with him! It's a fun story with good advice about not letting your worries grow!

Sports Personality of the week!

This week Sports Personality for last Week was **Eric** (Orange)

Eric had a great engaging sporting week. On Monday, Eric along with Orange class continued with their gymnastics lessons but this week Year 2 were learning different ways of rolling using their body. Mr. Samuel was very impressed with all of Eric's rolls and his ability to work safely with his partner. Eric has also signed up for Key stage 1 multi skills club & this past week the children were learning throwing and catching. Eric had some impressive long distance throws and catches with his partner. Lastly, during lunchtimes Eric along with a number of children enjoy playing a game called 'Champ'. Mr. Samuel along with other lunchtime staff outside have noticed how lovely Eric seems to play with no arguments and signs of great sportsmanship for such a young age.

Keep up the outstanding work Eric!

Sports Personality of the week!

This week Sports Personality of the Week is **Tadeusz** (Purple)

Tadeusz had a great PE lesson on Wednesday. Purple class have been doing gymnastics this term and Tadeusz was able to execute many different sequences using a variety of balances along with many creative ways of travelling on benches. Mr. Samuel was very impressed with his demeanour and attitude during his PE lesson, a student who is always willing to learn and improve.

Keep up the excellent work, Tadeusz!

Attendance Success!

Well done to: **Orange Class with a whopping 98%**

It was a close run this week with four other classes hitting 97%!

We are so pleased to see that our children's attendance is improving and we know that as parents you really value education. Thank you for your continued support with this.

Thank you to all our families who have labelled their children's coats and belongings, it really helps everyone to make sure all of the children have their own items of clothing! Hopefully, you will be

receiving additional items of uniform from the school. We have secured funding to support all of our families during these challenging times. Occasionally, through charitable grants and donations, we can support families with essential items such as bedding and electrical kitchen items, if this is something that you would welcome please contact the school office.
