Dear Families,

What great news – the children in Reception to Year 6 are coming back into school on **Monday 8th March!**

We are currently preparing everything that needs to be in place to ensure that everyone is safe again here in school. I will be sending you arrangements for gate entrance/exits, timings, bubbles, face coverings, sanitizing... the list goes on but what is so important is that the children are coming back and we can carry on with our learning together.

Obviously we will all have to continue to follow the government guidance to reduce transmission of the virus and that will mean that some people will be inconvenienced for example, perhaps by having to use an entrance/exit further from their home or at a different start time to previously, it is essential that we work together and follow the arrangements that we put in place as they are designed to keep us all safe.

This week we have continued with our remote learning and I wanted to share with you the power of persuasive writing. As a result of the fantastic letters the children sent to the council explaining the need to remove the litter bin on Brettenham Road, the London Borough of Enfield have removed it! Well done, everyone, this is a terrific outcome and should mean that we no longer have to deal with rubbish being strewn outside our lovely school entrance and families having to dodge sharp tins and the fly tipping of furniture! Brilliant writing! We must remember to say thank you, now.

Our engagement figures for this week are below, so you can see how well your child’s class is doing.

Well done, you guys!

We have more good news to share about new arrivals. Mrs Morgan is celebrating the arrival of gorgeous baby girl, Ellie Grace and Ms Lawrence is celebrating the arrival of her beautiful baby boy, Keizo. Both mums and babies are doing well and I have sent them your best wishes.

Next week will be an extra busy week in school as we finalise arrangements and we will be celebrating World Book Day on Thursday. We are asking the children to create a hat or mask linked to a story or book character, which they can wear for registration. The children will have lots of activities and stories to share over the Thursday and Friday. We are also running the famous Potato Book Character competition! Just like last year, pupils will need to recreate a character from a book using a potato... Take a photo and upload to the class stream. The best will receive a prize! Look out for the links on your Google Classroom stream. We will be issuing book vouchers to the children on Monday so they can redeem them against books they can keep.

Please look out for the information I will send out that explains the details of getting the children back to school on Monday 8th March. We are so looking forward to seeing everyone – back together at Fleecefield.

Keep well.

Yours sincerely,

Antoinette Goldwater
