Dear Families,

What a fantastic week to finish our term!

On Monday and Tuesday the children enjoyed their time in their classes with the staff teams they have been working with this year; the teams that they started with in September 2020 and who joined you in your homes via Google Classroom during the remote learning. This has been a very special year and our children have learned life skills that we did not have when we were their age! They have learned to maintain relationships, have virtual lessons, to be responsible for their learning and to be incredibly resilient. As adults we are in awe of what they have achieved and so very proud of them.

Today and on Wednesday, we moved the children into their new classes with their new staff teams. They wowed us again with their excitement and eagerness to meet their new teams and find out about how and where they will be learning in September 2021. This transition is a big step for all of our children. Sometimes the smallest of concerns can grow into mountains and children can become anxious about the unknown. The purpose of “Early Risers” is to alleviate those concerns and empower the children to be confident about moving into the next phase of their schooling.

Below you will find a table explaining which class your child is in going forward.

### “Children First”

During the holidays we are encouraging all of our children to take part in the Summer Reading Challenge. Please see the link below. Reading opens the gateway to your child’s success as they cannot learn effectively if they cannot read. Please help your child to read over the holiday period, it really is crucial to their wellbeing as they grow. And it’s fun!

We will be welcoming some new staff to the school, including Miss Ring in Orange Class, I know you will make her feel very welcome. I will let you know about the other new staff in September. I will also be writing to you about any new arrangements that may need to be in place, so please look out for my letter by email in the first week of September.

Finally, I must tell you all about our fabulous young people in Year 6. On Thursday we were treated to a music concert which included songs linking to the First and Second World Wars, along with their own version of The Final Countdown. All of the pieces were accompanied by percussionists, drums and keyboard playing from the highly talented year 6. At the end of the day they enjoyed their “Walk of Glory” and received their Leavers Certificates. They demonstrated such good humour and courage in addressing the entire staff team and their peers. They offered insights into what they valued and brought a tear to many eyes with their ability to articulate their thanks to the school and their friends. We are immensely proud of them and know that each of them will be successful in their secondary schools and beyond!

Many of the staff have asked me to thank you for all the lovely gifts, cards and kind words that you have shared with them. Our staff are amazing and they are absolutely driven by a desire to ensure that your children are successful, it is really wonderful that you acknowledge that they don’t just do a job but that they genuinely care about our children and you. This has been a remarkable year and we have made history together. Let’s hope that as we start the next year together we will be stronger, healthier and will have read lots of books over the summer!
