“Children First”
8th July 2022

Headteacher: Antoinette Goldwater

Dear Families,

Visits and visitors this week, included a trip to the Gurdawra Temple by Year 4, a Synagogue by Year 5, Year 6 drama workshops and a Mayan Workshop for Year 4. We are very busy right up until our last day of the summer term on Thursday 21st July. The children are building on their learning and enjoying the opportunities to make their learning meaningful and real. It's vital that they do not miss out on all the exciting learning we have planned.

Secondary Transfer for pupils currently in Year 5

Details of the secondary open evenings taking place in September/October 2022 in preparation for the children starting secondary school in September 2023 have been sent to those families. It is important to make a note of the schools that you are considering for your child and to visit them. The dates can also be found on our website and on the Enfield website next week.

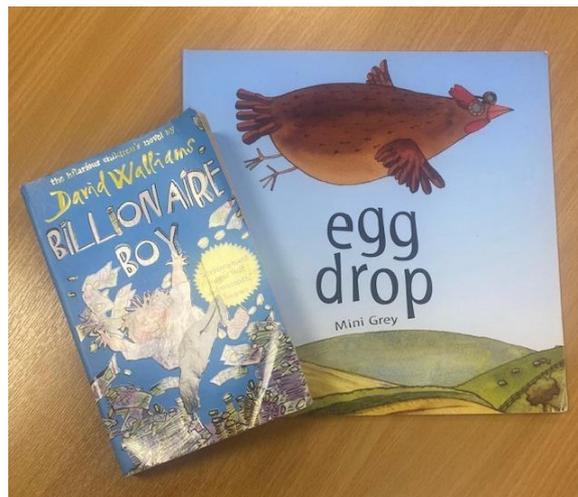

www.enfield.gov.uk/admissions

Parents will receive a leaflet in September which will include this information .

Book Recommendations

Our recommendations come from Mrs Bryant and Emily in Year 4.

Egg Drop by Mini Grey, launched our Egg Challenge last week and provided some inspiration and caution! Billionaire Boy by David Walliams is a hilarious story with a positive moral.

Summer Reading Challenge

David and Annie joined us in assemblies to tell the children about the Gadget themed Summer Reading Challenge for 2022. The children need to read just 6 books over the summer, collecting stickers and other goodies and they receive a certificate and a medal. We are intending to celebrate their achievement in school once the children bring them in to show everyone.

If you are not in Edmonton this summer, that’s no problem! The children can take part online please use the link below.

[Click here](#) to take part.

Please join the library so your child can take part!

Key Stage 1 Sports Day

Year 1 and 2 had their Sports Day on 28th June, helped by our Year 6 Sports Leaders. The children had two stations: a kicking and throwing station where they were trying to collect points for their teams. After both stations were completed, children then had their individual races. Races which included: sprints, hurdles, egg and spoon races and the parents and teachers races to close the event.

1st place = BLUE 562 points

Congratulations to the children on the **Blue Team** and a big well done to all the children in Year 1 and 2.

Over the course of this half term we have held phase Sports Days for the children and again, we have been very pleased to welcome our families back to school to support their children during these events. The structure of the mornings has been focused on ensuring every child can participate and work together as a team for the collective outcome. A second set of events were delivered on Wednesday to allow pupils to participate in individual competitions for track events, including sprint, hurdles, relay and egg & spoon races.

Sports Personality of the week!

This week Sports Personality of the Week is**Kayzia** (Year 4)

Kayzia just like everyone else in KS2, had their 2nd part of their Sports Day this past Wednesday. In a week where Mr. Samuel was impressed with so many students, Kayzia just edged it and shone the brightest. Kayzia participated in the year 4 girls' relay race and Mr. Samuel was impressed with her perseverance during the end of her race. Even though her team came up short, she still managed to have a positive attitude during her Sports Day and luckily for her and her class they had a PE lesson later that same afternoon. Kayzia continued to have a positive attitude during her PE lesson. Mr. Samuel has also been impressed with her overall improvement in her PE lessons this year.

Great job Kayzia, let's keep it going!

Attendance Success!

Well done to Purple Class with an impressive 98.46%
Great job, Purple Class, keep it up for next week!!!!

Over the last few weeks I have included the section below to ask you to complete the Parent View Survey. Unfortunately, there have not been enough responses, if you could share your views it would be very much appreciated.

As you know, your opinion really matters to us and we would very much like to know if we are doing a good job in providing a quality curriculum for your child, keeping them safe and happy at school. Ofsted have a survey for you to complete called Parent View. Please click the link below to complete the survey.

Reminders:

Please remember that your children should not bring anything into school containing nuts. It is vital that all of our children are kept safe.

Children who bring a packed lunch to school need to bring any waste or rubbish home again for recycling at home.

Unfortunately, adding non recyclable products to our bins is contaminating them and making them non recyclable! Thank you for your support with this.

It's looking like a hot weather week ahead, the children will need their hats and water bottles.

Next week promises great excitement as the children share their talents in our Fleecefield's Got Talent Shows! Have a lovely weekend, enjoy the good weather and we look forward to seeing you on Monday.

Yours sincerely,

A Goldwater

Antoinette Goldwater
