"Children First"

8th October 2021

Dear Families,

This week we have been thinking about Mental Health Awareness and at school our assemblies have focused on "Kindness" both to each other and to yourself. The children have been reminded of our Wellbeing Lounge on Google Classroom, it's easy to use and you will find relaxing music, stories, feel good activities and advice for grown- ups too. Please have a look.

I have also added contact details for Wellbeing Connect Services, this organization offers specialist advocacy support, Children and families Youth support and coaching, Therapeutic support / counseling, foodbank. They are a Mental Health charity based in Edmonton providing support to families and offer information and advice workshops.

In the next couple of weeks you will be receiving information about our parent consultations. These meetings are planned for you to be able to share how you think your child has settled into their new class and for the teachers to let you know how your child is performing and what their next steps are so they can be even more successful. We will be running the meetings on Wednesday 20th and Thursday 21st October and the meetings will be on Google Meets. Watch out for the information coming.

Following the success of our surveys from last term, we will be sending you a link to a survey next week which allows you to give us your views. If you have any concerns about school or your child's wellbeing please be sure to speak to a member of staff so that we can address any issues quickly. The staff are available at home time every day and you will find us on the playground.

This week's stars for attendance are being revealed next MONDAY!!

We are very pleased to let you know that our coveted Abdullah Awards have been presented today and our amazing recipients were delighted to receive their certificates and engraved awards. It was made even more special as Mrs Abdullah was able to join us too. All of Mrs Abdullah's children attended Fleecefield and have become successful and happy adults, she strongly believes that every child should be happy and sponsors this award to celebrate the talents and achievements of our children. Staff nominate one child from each class who has developed an aspect of their learning which could reflect their academic achievements or equally, their personal development and we celebrate these achievements annually. As a result of closures last year we have awarded the recipients for 2020-21 today and we are already looking to identify new recipients for the year 2021-22 and will celebrate again in July 2022!

Are you passionate about your child's education and want to be part of the decision making that affects their future? We are currently recruiting Parent Governors to join our Local Governing Board. If you would like to know more about the role please come and talk to myself, Mrs Bryant or Miss Lafferty, we are all available at the end of every day on the playground.

If you are free on Sunday, why not head over to Pymmes Park visitor centre 11am-12.30pm and join a guided walk led by Mind in Enfield and Barnet. To book email martinedrake@mindeb.org.uk

Have a good weekend.

Yours sincerely,

A Goldwater
