Dear Families,

Our Cultural Events Assemblies this week have been magnificent!

The children surveyed their classes to find out where everyone was born, they shared their culture boxes and explained why items are symbolic and important. They were articulate and creative with their presentations of their learning about different countries and performed dances and music pieces for the whole school. We are so proud of our diversity at Fleecefield and value each person and the rich experiences we share with one another. Thanks to all the families for your support with our cultural activities over the last few weeks. Please check your child’s Google Classroom to see the assemblies that the children performed.

Despite the clouds, we still managed to have a fabulous Sports Day for UKS2 and for LKS2 and to enjoy demonstrating the skills that the children have been developing in their PE lessons.

Our wonderful Sports Leaders have been excellent role models during all of our Sports Days and I know the staff have been very impressed with their tireless commitment to supporting them as well as the children! Well done to our Sports Leaders!

Last week we continued to proceed through the heats in the Children First Trust debating competition and our Year 5 team were successful in getting through to the final stage. We wish our team well as they take part in the finals, including Samaya, Ayo, Mustafa, Courtney, and Abdisamed!

From 8.45 am on Thursday 14th July, Mrs Mashini would like to invite Yr5 & 6 parents to a meeting to hear advice about starting secondary school and how to support your child at this crucial transition.

Local Governing Board

Following our election to elect a parent governor to our Local Governing Board, I can report that Mr Barre was elected and will hopefully be taking up his role towards the end of July. Thanks to all those parents who took the time to vote.

Congratulations to Mr Barre!

Our thanks also go to Mr Islam who was also nominated and we look forward to working with in the future.

Online Safety

In response to our parent survey we are inviting all parents to attend a workshop here at school on Wednesday 29th June at 9am. At this meeting we will share advice about what you can do to keep our children safe online and show you how!

Setting up parental controls:

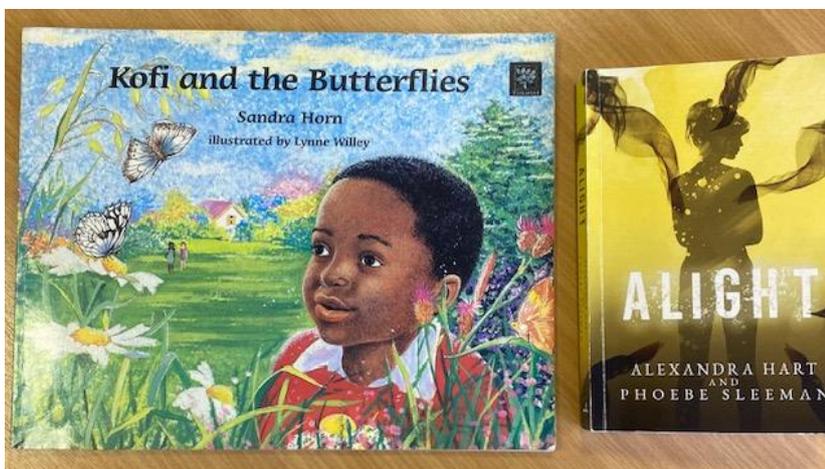

The online world gives everyone access to a huge amount of information, images and services, and this inevitably includes content that is inappropriate for children. Parental controls allow you to block and filter upsetting or inappropriate content. Setting up parental controls and individual safety settings on your child’s favorite app or game can help stop unwanted contact from people they don’t know. NSPCC has produced a guide to the different ways that you can set up parental controls to help keep your child safe online. Click the link below for more information.

Book Recommendations

This week’s recommendations include *Kofi and the Butterflies* by Sandra Horn; this is a magical story with stunning illustrations and a realistic conservation theme. Our second recommendation is *Alight* by Alexandra Hart & Phoebe Sleeman. This is a fabulous read to ignite your imagination and is cleverly told by a number of narrators. I am also delighted that Alex and Phoebe will be visiting our school next week to talk to Years 5 and 6 about their book and being an author!

If you would like to buy a book and have it signed there will be books available on the day for £8.99.

Sports Personality of the week!

This week's Sports Personality of the week is **Hadia (Year 6 - Lilac)**

This past Thursday, Hadia racked up a fantastic score helping her team during Sports Day Part 1. Hadia was able to get herself an impressive javelin and kicking score and finished it off by getting a perfect 10 points while doing hurdles. Hadia demonstrated bravery once she stepped up for each activity and gave it her very best go.

Proud of you Hadia, keep it up!

Attendance Success!

Congratulations to **Purple Class** who have 98.85% attendance for this week!!

This is a great achievement Purple Class, you should be very proud of yourselves. Keep up the good work

As you know, your opinion really matters to us and we would very much like to know if we are doing a good job in providing a quality curriculum for your child, and keeping them safe and happy at school. Ofsted have a survey for you to complete called Parent View. Please click the link below to complete the survey.
